

July 6, 1964

Honorable Cayce Pentecost, County Judge  
Weakley County Court  
Dresden, Tennessee

Dear Sir:

WHEREAS, the present tax structure as tentatively adopted April 5, 1964 affecting public school monies stipulate certain earmarked rates for School Expansion and Bus Replacement, and

WHEREAS, this arrangement necessitates keeping a complete set of books for each ear marked account, and

WHEREAS, one set of books could be kept to include these said accounts and the total estimates of the budget would not be affected by combining these accounts with the General Purpose School Fund, and

WHEREAS, this procedure is recommended by the State Department of Education, and is being practiced by most of the school systems of the state, and

WHEREAS, item (1), (c), of section 8, Chapter 39 of Public Acts of 1963 - State of Tennessee, reads as follows; in part

Each county, city, or special district in this state shall levy for current operation and maintenance not more than one school tax for all grades one through twelve, or for such of these grades as may be included in the local school program, and shall place in one separate school fund all school revenues for current operation and maintenance purposes received from the State, county and other political subdivision, if any, for school purposes.

BE IT FURTHER RESOLVED THAT THE TRUSTEE, Hereby, be authorized and instructed to deposit all money in the Bus Replacement, and School Expansion Funds, as soon as outstanding warrants are paid and all money properly identified, to the General Purpose School Fund.

Respectfully submitted,

/s/ Biggs Danner

Biggs Danner, Superintendent  
Weakley County Schools

Approved: July 6, 1964

Cayce Pentecost, County Judge

Ellis Featherstone, County Court Clerk
